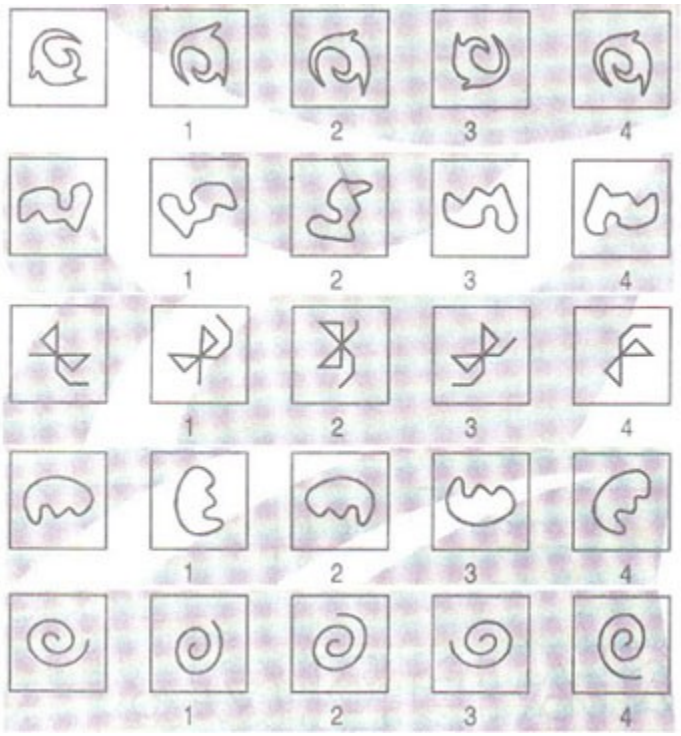
Pearl 2005

1.) Draw one out of the four –
1.) Paintbrush
2.) Tea Tray
3.) Clip
4.) Sharpener
From the chosen one draw any four objects related to the chosen one by changing its shape, size and material.

2.) How would you project yourself in 4 stages-as a child, a teen , as an adult and as an old person

3.) Depict summer or winter using objects or any other ways of your choice.


4.) You are given five different questions with their options to their right.
Reflect the object in vertical axis (Mirror image)and then rotate it anticlockwise by 90 degrees
